Financial Claims Scheme

The Australian Government's Financial Claims Scheme (FCS) protects people's deposits in the unlikely event that a bank, building society or credit union fails. It only covers banking institutions that are incorporated in Australia, and has been known as the Australian Government deposit guarantee. The FCS also covers most types of insurance claims if a general insurer fails in Australia. More information can be found at <https://www.fcs.gov.au/>

Other Documents

For other information on your Horizon Credit Union account please see information on: Privacy, Banking Access Facilities Terms & Conditions available on our website (www.HorizonCreditUnion.com.au).

Customer Owned Banking Code of Practice

The Customer Owned Banking Code of Practice is the code of practice for Australia's credit unions, mutual banks and mutual building societies. The Code has been developed in close consultation with the community, government, consumer groups and our members.

Credit unions, mutual banks and mutual building societies are owned by our members — this is what being a mutual means. As such, we are focused on member-benefit, community involvement, fairer fees and customer service.

As a Credit union we already comply with a range of regulatory requirements including:

- Responsible financial management requirements (under the Banking Act 1959 and our regulation by APRA)
- Corporate and financial services' licensing, advice and training, and disclosure regulation (under the Corporations Act 2001 and our regulation by ASIC)
- National Consumer Credit laws
- Privacy, fair trading and other Commonwealth, State and Territory legislation
- Anti Money Laundering / Counter Terrorism laws as regulated by AUSTRAC

This Code establishes higher standards than the law requires in a range of areas, and addresses issues not addressed by the law. In adopting this Code, we agree to abide by the higher standards and additional requirements set out in the Code.

Copies of the code are available on our website www.HorizonCreditUnion.com.au or from any Horizon branch.

- ~ Become a member
- ~ Apply for a loan
- ~ Purchase foreign currency or services

There is no legal obligation for the credit union to provide an explanation for any refusal of products and services.

Each Member must purchase a share in the Credit Union

As a member of the credit union you are required to purchase a share with a value of \$2.00. This share capital does not earn interest and is refundable should you decide to close your account in the future.

Tax File Number

All accounts earning \$120 or more in interest per tax year (\$420 for a child aged 16 or under as the end of the calendar year) are subject to Tax File Number (TFN) legislation, which requires members to submit their TFN to the credit union or claim an exemption if they qualify. If you choose not to submit a TFN, Horizon Credit Union is required to deduct tax from interest earned at the highest marginal tax rate (including the Medicare levy) as required by the Australian Taxation Office.

Tax Implications

Interest earned on your savings and term deposit accounts must be declared for income tax purposes.

Joint Accounts

A joint account is an account in the name of more than one person. Funds held in a joint account are owned jointly by the people concerned and they will be jointly liable for any money owed on the account.

You will be given the following options at the time of application as to how funds are to be withdrawn:

1. All to sign – which means that all joint people must sign to authorise a withdrawal.
2. Any one person to sign – which means that any of the joint members can sign.
3. Two persons to sign.

If you wish to alter these instructions contact us.

Each individual account holder of a joint account, including those requiring two or more to sign, has the ability to setup or close a direct debit. The credit union does not accept any liability for changes to direct debits under these circumstances.

We may accept a cheque into a joint account which is payable to any one or more of the joint account holders.

If an account holder dies, Horizon Credit Union will treat the account balance as owned by the surviving account owners on receipt of a copy of a death certificate.

If there is any dispute notified to us between joint account holders, we may decide to only permit operation on the account when all parties have signed the necessary authority.

Horizon Credit Union can send statements, notices or other documentation including changes to terms and conditions by mailing them to any one of the joint holders at their address shown on

our records. If terms and conditions are given to any one of the joint holders they will be considered to have been received by all account holders.

Trust Accounts

Trust accounts can be opened by Horizon Credit Union on request. The credit union recognises both formal and informal trusts. To open a Formal Trust account the credit union must be supplied with a copy of a Registered Trust Deed.

Authority to Operate an Account

If you are operating a single account you can authorise to allow another person to operate on your account.

By signing a Third Party Signatory or Authority to Operate form, you instruct us to allow a person to be authorised to operate on your nominated account under the rules of that authority type. These will be provided to you when applying. Changes to authorised operators must be notified in writing and can only be made by account owners.

Additional operators of accounts are subject to the same identification procedures as owners of accounts and as such must comply with identification procedures outlined in these terms and conditions.

An Authority to Operate will remain in force until the credit union receives written notice of cancellation or written notice of the death of the person granting the authority. In the case of a teen saver account, any authority to operate will be removed at the time the account owner turns 18 years of age.

We are not liable for any loss or damage caused to you by persons authorised to operate on your account except where it arises from fraudulent conduct by our agent or employee or if we are liable under statute or the ePayments Code. We are not liable for any loss or damage caused by any delay in processing a cancellation of an Authority to Operate or Third Party Signatory.

Deposits

You may deposit to your account in the following ways:

Deposits can be made at any Horizon branch, by electronic transfer or via some rediATMs with deposit-taking capability. If available, this feature will appear when you have entered your card and PIN.

Cheque deposits are subject to a clearance period of 3 working days from the date that the cheque is deposited with Horizon's banking institution. Horizon reserves the right to increase the clearance period for any reason such as for public holidays.

If Horizon Credit Union allows you to withdraw funds before a cheque is cleared, even if the clearance period has passed, the credit union is entitled to debit your account if the cheque or credit is later dishonoured or found to be fraudulent or counterfeit. The appropriate fee outlined

in the Transaction Fees & Charges and Miscellaneous Fees and Charges brochure would apply to such dishonours.

Cheque deposits will only be accepted if they are made payable to the name in which the account is held, or payable to Horizon Credit Union.

A cheque will not be accepted if it is “stale”, i.e. the date of the cheque is more than 15 months ago.

The credit union may reverse a direct credit or direct deposit of salary, if it for any reason whatsoever, does not receive value for the direct credit or direct deposit of salary.

Deposit Balance Limitation

Changes to Interest Rates

Direct Debit

You can authorise a participating biller to debit amounts from your account, as and when you owe those amounts to the biller. The biller will provide you with a Direct Debit Request (DDR) Service

Agreement for you to complete and sign to provide them with this authority. To cancel the DDR Service Agreement, you can contact either the biller or us. If you contact us, we will promptly stop the facility. We suggest that you also contact the biller. If you believe a direct debit initiated by a biller is wrong, you should contact the biller to resolve the issue. Alternatively, you may contact us. If you give us the information we require we will forward your claim to the biller. However, we are not liable to compensate you for your biller's error. If you set up the payment on your Visa debit card, please contact us directly about unauthorised or irregular debits. We can cancel your direct debit facility, in our absolute discretion, if 3 consecutive direct debit instructions are dishonoured. If we do this, billers will not be able to initiate a direct debit from your account under their DDR Service Agreement. Under the terms of their DDR Service Agreement, the biller may charge you a fee for each dishonour of their direct debit request.

Interest Calculation

Interest will be calculated on the daily closing balance of your savings account. The daily interest rate is the annual rate divided by 365 in a normal year and 366 in a leap year. Payment of interest occurs at the end of every month for all accounts except for the Christmas Club accounts, Mortgage Breaker accounts and Term Deposit accounts. Please refer to the specific conditions later in this brochure for terms and conditions that apply to specific accounts.

Term Deposit

Description

Term Deposits are deposits that are fixed for a specific term and interest rate.

Term Deposits are offered with a range of maturities, details of which are listed on the current interest rate brochure available at any Horizon branch or from our website. Interest rates will vary depending on the size and maturity of deposit.

There is a minimum balance requirement of \$500 for Term Deposit accounts.

Interest

The interest rate on the Term Deposit is fixed for the full term. Total interest payable is calculated by dividing the interest rate by 365 and multiplying by the total number of days of the agreed term. When calculating interest, the maturity date of the deposit is the last day of the deposit period. Members have the option of having interest paid on maturity or monthly depending on the term of the deposit. Current interest rates are available at any Horizon branch or from our website.

If we quote you an interest rate for a Term Deposit the rate may differ if the deposit is not made on the same day.

Access & Early Redemptions

Deposits can be made at any branch or via HandyNet. The Term Deposit cannot be added to during the term. Withdrawals prior to the maturity date are permitted, however the money withdrawn early will be paid the Redisavings (S1) rate available at the time of withdrawal. The money left in the Term Deposit will earn the rate at the rate applicable to the remaining term and balance. If the withdrawal results in the Term Deposit being reduced to lower than the minimum balance the Term Deposit account must be closed.

Maturity

The credit union will notify the member prior to maturity that the Term Deposit is about to mature. At this time members can vary their original instructions as to what should happen with the Term Deposit and interest on maturity.

The options for the principal are: that it can be reinvested or it can be transferred to another Horizon Credit Union account. The options for the interest are that it is compounded with the original Term Deposit and reinvested or it can be transferred to another Horizon Credit Union account.

The credit union will allow 7 days after maturity to vary instructions without the imposition of an interest penalty such as that mentioned for early withdrawals of Term Deposits.

If the credit union receives no advice as to action on maturity, the principal and interest will be deposited for a similar term at the current rate applicable to that term.
